

Wine and Fragrance

Plunge into a range of fragrance and extraordinary tastes. A unique chance to stimulate your senses and to surprise your memory through wine and perfume.

PROGRAMME :

This workshop invites you to compare wine aromas associated to perfumes by participating in playful and stimulating exercises. An alternation of two universes which connect you to your senses and take you by surprise.

2H30

Place of your choice

Laetita Ouspoutour - Winegrower and teacher at the Bordeaux Wine School, CIVB, will introduce you to the art of tasting.

Clémentine - a perfume creator, she knows the universe of wine aromas like the back of her hand.

« I had never realized that my nose can access all these fine olfactory details coming from wine and perfume! I have discovered the pleasure of new scents especially thanks to two absolutely extraordinary people! »
